Form 1100-001N (Rev. 10/12)

Wisconsin Department of Natural Resources
Natural Resources Board Agenda Item

Item No. 4.B.1.

SUBJECT: This item will be an informational update on the CWD Response Plan review and steps moving forward.

FOR: September 2016 Board meeting

TO BE PRESENTED BY: Bob Nack, Big Game Section Chief

SUMMARY:

This will be a discussion about the current CWD Response Plan and the how the Department plans to incorporate new directives and recommendations in the plan that will guide future management decisions.

Management plans outline background information on a particular species and provide long-term recommendations on species management, including population management, habitat management, education and outreach efforts, damage management and harvest framework, among others.

RECOMMENDATION: This item is informational only
