Retirement Resolution

Bruce Klang, Enforcement Ranger at Wyalusing State Park, retired from the Wisconsin Department of Natural Resources on June 27th 2008 after more than 25 years of service.

Bruce began his career with the Department of Natural Resources in 1982 at Devil's Lake State Park. He served there providing quality customer service to park visitors, and performed critical dispatch duties during numerous park emergencies.

From Devil's Lake, Bruce went to Wyalusing State Park in October of 1988. Bruce spent the next 20 years ably protecting park visitors as the Ranger at Wyalusing State Park. Bruce spent many hours providing for a safe and enjoyable park experience. Bruce was a regular and welcomed sight throughout the park. He improved the experiences of thousands of campers and park visitors. Beyond his regular duties, Bruce was also often called upon to provide much needed technical support to park staff as computers became a more and more common site in the workplace. Bruce's technical abilities and personable demeanor ensured his success as a Wisconsin State Park System Ranger.

Bruce's 25 plus years of service to the people of the State of Wisconsin are much appreciated, and he will be missed as a vital member of the Wyalusing State Park team.

WHEREAS, Bruce L. Klang has served the people of the State of Wisconsin faithfully and well in the performance of duties and has thus earned the commendation due an exemplary public employee;

NOW, THEREFORE, the Natural Resources Board at its October 2008 meeting at Eagle River, Wisconsin, recognizes such faithful service with due respect and gratitude, and hereby makes this commendation a part of its official records.
