Special Conditions

1. LUMP SUM SALE: 50% of the total lump sum bid value must be paid prior to cutting. The remaining 50% will be due when the administering forester determines 50% of the area has been harvested. All unmarked or undesignated operational trees require preapproval before cutting. All operational trees or damaged trees will be decked for scaling and will be billed in addition to the original sale amount at the stumpage rate which was bid. Any trees cut without prior approval will subject the contractor to penalties and fines.(8)
2. Cutting must be concurrent for all species to be harvested.(9)
3. Decking will be permitted along the snowmobile trails, as indicated on the map, when the trails are not in use. Wood decked on the snowmobile trails must be removed before the start of each snowmobile season (trails normally open mid-December). All trails must be repaired to pre-harvest conditions before the start of each snow season.(18)
4. A seasonal restriction will be in place for the entire sale area. No harvesting or skidding will be allowed between April 15 and July 15.(13)
5. Extra care needs to be taken not to excessively damage seedling and sapling white pine and oak.(35)
6. Biomass Harvesting is **not** allowed.(10)
