Resolution 44 0610

Title: Free Day Ice Fishing without License.

Quite a few years Wisconsin has had a free fishing day in the summer, where anyone without a license may fish one day free. I purpose to have a free day in the winter months, just as its done in the summer. I would leave it up to the D.N.R to pick the day. I'm hoping it would bring more people into the ice fishing world.

Be it Resolved that the Conservation Congress at its annual meeting held in Oneida County on April 12th, 2010 recommends that the Conservation Congress work with the Department of Natural Resources to take action on A free Day of Ice fishing.
