Title On Line Voting

The Problem: The spring hearings are poorly attended for a variety of reasons.

The solution: On line voting. Voters should use their A.H.S. #. (Your drivers license & your social security #) info are already in use by the state. So fraud should not be an issue!

Less than 1% of Clark County Sportspersons attend the spring hearings. On-line Voting would certainly garner more votes!

Be it resolved, that the Wisconsin Conservation Congress at its annual meeting held in Clark County on 11 April 16 recommends and requests a combined effort by the WCC & WDNR work to implement ON-LINE Voting
