NATURAL RESOURCES BOARD AGENDA ITEM

Item No. 7.B.2

SUBJECT: Kiap-TU-Wish Trout Unlimited Chapter will donate $15,000 to the Bureau of Fisheries Management for a Pine Creek Trout Habitat Restoration Project in Maiden Rock, Pierce County.

FOR: OCTOBER 2008 **BOARD MEETING**

TO BE PRESENTED BY: Matt Frank

SUMMARY:

Pine Creek is located on the Pierce-Buffalo county line. The pristine two-and-half mile trout stream has great potential to become one of the best trout streams in the area. DNR has partnered with several sportsman groups, Trout Unlimited (TU) Chapters and local organizations to complete trout habitat restoration on streams in the area. Department expenses (fleet rates) have increased dramatically causing us to do less work. Local trout unlimited chapters and sportsmen wish to help finance trout habitat improvement projects because we (DNR) can no longer complete large projects with our funding

Kiap-TU-Wish Trout Unlimited Chapter is donating $15,000 to help with the Pine Creek Habitat Restoration Project.

RECOMMENDATION: Accept the generous donation of $15,000 from KiapTUwish Trout Unlimited Chapter.
