

WI Natural Resources Board

May 2016 Webcast

Agenda item: 3.B.2

Request approval of Tier 3
Management Plans for Nine
State Natural Areas

Diane Brusoe
Property Planning Section Chief

Background

- May 2006 - NRB approved proposed changes to master planning system utilizing a “Three Tiered” approach
- Tier 3 management plans are prepared for small, non-complex properties and are exempt from the full requirements of NR44 (Detailed in Manual Code 2230.1)
- Purpose of the management plan is to establish a uniform department file record of the location, the purpose and the basic management information on minor properties and scattered parcels
- The level of public involvement and the methods used are commensurate with the needs of the property.
- Must be approved by the NRB
