Turkey Hunting

The Problem:

There are fewer and fewer DNR registration stations causing extra mileage and unnecessary expenses for the Sportsman.

Where as the present telephone registration with the DNR recording goose kills has been successful.

Where as the DNR is set up to receive and record this type of information.

Be it resolved the Conservation Congress, at it's annual meeting in Walworth Co. on April 16, 2007, recommends action be taken by the DNR to allow phone registration of turkey kills.
