## RESOLUTION

Title: Senior Hunters

The Problem:

Senior hunters are leaving the hunting population. This will continue and probably at a more alarming rate in the next few years unless something is done to retain them. The Department has made changes, created programs and reduced license fees to bring in new hunters. But has done nothing to make incentives to retain the senior populace.

Examples of incentives are reduced license fees similar to the youth license fees.

BE IT RESOLVED, that the conservation congress at its annual meeting held in Walworth County on April 12, 2010 recommends that the conservation congress work with the Department to take action to correct this situation by introducing Senior License's (mirrored version of the Junior license's).
