## RESOLUTION

Title: Disabled Veteran's Recreational Card

The Problem:

Men and Women in our armed services have put their lives on the line on a daily basis to protect our constitution and freedom. Wisconsin should have an obligation to those who have service connected disabling injuries.

Disabled Veteran's are on a limited income's and deserve the opportunities to have access to Wisconsin recreational opportunities.

BE IT RESOLVED, that the conservation congress at its annual meeting held in Walworth County on April 12, 2010 recommends that the conservation congress work with the Department to take action to correct this situation by introducing a Recreational card to Veteran's with a 50% or greater service connected disability which includes Fishing, Small Game Hunting, access to State Parks and Trails.
