**FERAL PIGS ARE A PROBLEM IN MANY STATES AND CAUSE A GREAT DEAL OF DAMAGE NOT ONLY TO CROPS, PERSONAL PROPERTY, BIRDS/MAMMALS AND THE HABITAT OF WILD ANIMALS. THEY CAN ALSO CARRY DISEASES THAT AFFECT DOMESTIC PIGS.**

**THERE HAVE BEEN MANY STUDIES ABOUT FERAL PIGS, AND THEY ALL AGREE THAT THE PROBLEM NEEDS TO BE TAKEN CARE OF AT THE VERY BEGINNING AND WITHOUT RESTRICTIONS. IT NEEDS TO HAPPEN BEFORE THE PIGS GET STARTED**

**BEFORE THE PROBLEM GETS TO THAT POINT IN WISCONSIN, WE SUGGEST THAT THE WDNR, WISCONSIN CONSERVATION CONGRESS AND THE WISCONSIN NATURAL RESOURCES BOARD WORK TOGETHER TO CHANGE THE RULES AND LAWS IN WISCONSIN TO ALLOW PEOPLE IN WISCONSIN TO KILL ANY FERAL PIG AT ANYTIME. THIS WILL ATTEMPT TO STOP THE PROBLEM BEFORE IT GETS TO THE POINT OF NO RETURN.**

**THIS LEGISLATION WOULD ALLOW ANYONE TO KILL A PIG AT ANY TIME, ANYWHERE, WITHOUT A LICENCE OR PERMIT, WITH ANY WEAPON LEAGAL IN THAT LOCATION (GUNS, BOWS, ATALATL ECT...)**
