**Where As the early Catch and Release Trout Season has been with us for a few years.**

**Where As this season is not meant for all trout fishermen.**

**Where As this has been a very big social problem. And many people feel the large trout have been taken out at this time.**

**Let It Be Known that on this date~~April 14, 2014~~at the Conservation Spring Hearing, that we vote to eliminate ALL early trout seasons, including March and April.**
