Resolution

The Problem

Whereas Diamond Lake in Bayfield County, Town of Grand View has become infested with Large Mouth Bass and,

Whereas Largemouth Bass are predators on Walleye and Small Mouth Bass and,

Whereas, historically Diamond has been a good lake for fishing Walleye and Small Mouth Bass and,

Whereas Lake Owen in Bayfield County has the same issue and has reduced size limits on Bass to reduce the Large Mouth population and improve walleye fishing and,

Whereas several lakes in Sawyer County have reduced size limits on Large Mouth Bass therefore,

The Solution

Be it Resolved

That the size limit on Large Mouth Bass for Diamond Lake be eliminated
