**TITLE: Reduced Archery/Gun deer license fee for Wisconsin Military Veterans 70 years of age and older.**

The Problem: At the present time there is no display of gratitude shown by the DNR/State of Wisconsin for the past service of Wisconsin military veterans 70 years of age and older. Since this is a limited group of individuals, providing them with a reduced archery/gun deer license would not be an unreasonable financial burden to the DNR and would show a sense of gratitude for their past service to their state and country.

BE IT RESOLVED, that the Conservation Congress at its annual meeting held in Waushara County on April 11, 2016 recommends that the Conservation Congress works with the Department to take action to implement this license fee change that would provide a reduced archery/gun deer license fee for Wisconsin military veterans 70 years of age and older.
