

Taylor County #15 Photos

Taylor County proposes to resurface 2.5 miles of funded ATV/UTV Perkinstown Trail 554 on USFS land. The county has been using its maintenance funds to widen and level the trail, but needs additional funds to add a 4" cap of gravel surfacing. The trail has been open for 20+ years and is in need of improvement. Taylor County has applied for 50% funding from RTA.
