

## WHICH DBE REQUIREMENTS APPLY TO YOUR MUNICIPALITY OR PROJECT?

Throughout this Packet:

- items in red text apply to ALL municipalities and projects
- items in blue text apply to every project designated as Federal Equivalency

| Specific DBE Requirement                  | CWFP and SDWLP Non-Federal Equivalency Projects | CWFP and SDWLP Federal Equivalency w/ Project Cost @ or Below \$250,000 | CWFP and SDWLP Federal Equivalency w/ Project Cost Over \$250,000 |
|-------------------------------------------|-------------------------------------------------|-------------------------------------------------------------------------|-------------------------------------------------------------------|
| Solicit for DBEs                          | X                                               | X                                                                       | X                                                                 |
| Submit Good Faith Certification Form      | X                                               | X                                                                       | X                                                                 |
| Use Federal Form 6100-4                   | X                                               | X                                                                       | X                                                                 |
| Establish and Keep a Bidders List         |                                                 |                                                                         | X                                                                 |
| Include Extra Conditions in Contracts     |                                                 | X                                                                       | X                                                                 |
| Meet Contract Administration Requirements |                                                 | X                                                                       | X                                                                 |
| Use Federal Form 6100-2                   |                                                 | X                                                                       | X                                                                 |
| Use Federal Form 6100-3                   |                                                 | X                                                                       | X                                                                 |
