DNR Hosting Environmental Loans Webinar: Use of American Iron & Steel (UAIS) Requirements

Date: Thursday, February 12, 2015

Time: 3:00 p.m. – 3:45 p.m.

View: <http://dnrmedia.wi.gov/main/Play/d21e56795aee47fd9bcc5707780f30351d>

DNR is planning a public webinar that will include a 15-minute presentation on the Federal Use of American Iron and Steel (UAIS) requirements for State Revolving Fund (SRF) loan projects funded by the Environmental Loans Section. Following the presentation, a panel will be available for up to 30 minutes to answer questions. Read more in our Environmental Loans E-Bulletin [Volume 04, Issue 02](#).

The live UAIS webinar will be recorded for future reference. It will be posted to the Environmental Loans website along with the PowerPoint and a questions and answers document.

Using your Web browser, the Mediasite Player window allows you to view our live or recorded webinars. You can join a live presentation before it begins or after it has already started.

During the webinar, questions may be submitted online, using the Mediasite Player. We will be answering the submitted questions during the 30-minute Q&A. Read instructions for asking a question using the Player: <http://dnrmedia.wi.gov/main/Play/Help/Mediasite/Polling.htm#Questions>.

Find guidance for using and troubleshooting the Mediasite Player at http://dnrmedia.wi.gov/main/Play/Help/Mediasite/Player_requirements.html. This file discusses system requirements for the best presentation viewing and provides instructions for setting Player options and using the Player controls to navigate a presentation.

Direct questions about the UAIS requirements, certification form, or waiver process to Becky Scott at rebecca.scott@wisconsin.gov or 608-267-7584.

EPA Webinar

UAIS requirement for State Revolving Fund, focus on State and assistance recipients.

Join EPA to discuss updated information regarding how to implement the UAIS requirements, product certifications, the waiver request process and national waivers.

Date: Tuesday, February 17, 2015

Time: 1:00 p.m. - 2:30 p.m. Eastern Time

Successfully View a DNR Webinar Using Mediasite

Using your Web browser, the Mediasite Player allows you to view our live or recorded webinars. The Player window includes separate controls for the video and slide show portions of a presentation. You can join a live presentation before it begins or after it has already started. Our live webinars are recorded and available for later viewing.

Mediasite Player Help and Troubleshooting

Find help for using the Mediasite Player at http://dnrmedia.wi.gov/main/Play/Help/Mediasite/Player_requirements.html. This file discusses system requirements for the best presentation viewing and provides instructions for setting Player options and using the Player controls to navigate a presentation.

Learn how to use the Player to ask questions during a webinar: <http://dnrmedia.wi.gov/main/Play/Help/Mediasite/Polling.htm#Questions>.

The *Environmental Loans E-Bulletin* is written by staff in DNR's Environmental Loans Section to provide up-to-date information on both the Clean Water Fund Program and the Safe Drinking Water Loan Program. It is sent out periodically to alert subscribers of the latest news, updates, and upcoming deadlines; to highlight program changes; and to provide assistance on topics that need clarification.
