

# NATURAL RESOURCES BOARD AGENDA ITEM

**SUBJECT:**

Blackhawk Trout Unlimited will donate \$5,200 in riprap rock to the Bureau of Fisheries Management for a project in Reads Creek in Vernon County.

**FOR: SEPTEMBER 2008 BOARD MEETING**

**TO BE PRESENTED BY:** Secretary Matt Frank

**SUMMARY:**

Blackhawk Trout Unlimited has offered to purchase riprap rock valued at \$5,200 for a project in Reads Creek (Vernon County).

We were hoping to start on the project this year, but the floods in June set us back a bit. Blackhawk's Trout Unlimited's commitment to the coldwater resource in the Driftless Area has helped the coulee region become internationally known as an exceptional trout fishery. This donation should give us an excellent start when we do the project.

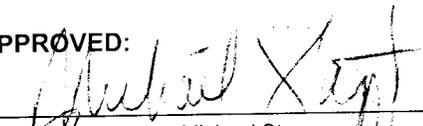

**RECOMMENDATION:** That this generous offer to purchase rock for Reads Creek be accepted from Blackhawk Chapter of Trout Unlimited.
