

Title: Gun Rights

64-03-13

The Problem:

Criminal acts have been done to others with all types of guns, alcohol, vehicles, bombs, knives, hands, and with numerous other items. The answer to eliminate criminal problems is not to allow the legislative branch to take away our Second Amendment Rights.

The meaning of firearms under the Second Amendment is not meant to insure our rights to use firearms in taking game.

A lot of debate can be found in the world: in books, in newspapers, the Internet, on radio and TV talk shows, etc. I have researched this debate. As a good honest American and Wisconsinite, I strongly feel the answer to the problem is NOT eliminating or watering-down our Second Amendment Right to "Keep and Bear Arms".

BE IT RESOLVED, that the Conservation Congress at its annual meeting held in Vilas County on April 8, 2013, recommends that the Conservation Congress work with the Department to gather public opinion by placing question(s) in the 2014 Spring Hearing Questionnaire on our Constitutional Rights To Keep and Bear Arms.
