

What can be registered as an All Terrain Vehicle (ATV)?

The definition of All Terrain Vehicles is found in state laws [§340.01(2g)]. A vehicle must meet each and every legal specification in order to be eligible for registration with the Department of Natural Resources.

Definition: All Terrain Vehicle

A vehicle must meet all of the following specifications:

1. Commercially designed and manufactured;
2. A motor-driven device;
3. Travels on three or more low pressure or non-pneumatic tires;
4. Dry weight of 900 pounds or less;
5. Width of 50 inches or less; and
6. Equipped with a seat designed to be straddled by the operator.
