

Portable Source Relocation Notification

Form 4500-025 (R 2/08)

NOTICE: A. In order to qualify for an exemption under s. 285.60(5), Wis. Stats. and s. NR 406.15, Wis. Adm. Code, from additional permit requirements, the owner or operator of the source must provide written notice to the Department at least 20 days prior to relocation. This form is provided for your convenience in meeting these requirements. **Send copies of this notification to the DNR Region Office serving the proposed location** (see address on back).

B. This form also serves as notice to the Department of the relocation of your operation under chapter NR 216, Wis. Adm. Code.

Personally identifiable information on this form is not intended to be used for any other purpose. Information may be made available to requesters per Wisconsin's Open Records law (ss. 19.31-19.39, Wis. Stats.).

1. Description of Plant to be Moved <input type="checkbox"/> Asphalt Batch & Continuous <input type="checkbox"/> Asphalt Drum Mix <input type="checkbox"/> Concrete Batch Plant <input type="checkbox"/> Boiler/Heating Plant or Electric Generator <input type="checkbox"/> Soil Remediation Plant <input type="checkbox"/> Other (describe) _____ _____	Owner's Plant Number or Name	Type of Air Pollution Control Equipment
