

List of Figures

- Figure 1:** Map from the report, A Park, Parkway, and Recreational Area Plan for Wisconsin, 1939
- Figure 2:** Wisconsin's population, 1900 to 2025
- Figure 3:** Wisconsin's rural and urban population, 1900 to 2000
- Figure 4:** Fastest growing cities and villages in Wisconsin, 1990 to 2000
- Figure 5:** Population change by township, 1990 to 2000
- Figure 6:** Percentage population change by township, 1990 to 2000
- Figure 7:** Percent of Wisconsin residents living within 50 miles of each township, 2000
- Figure 8:** Midwest residents living within 100 miles of each township, 1990
- Figure 9:** A 3-dimensional view of population density in Wisconsin and surrounding states, 1990
- Figure 10:** Extent of glacial lobes during the Wisconsin Glaciation
- Figure 11:** Location of the transition zone, adapted from Curtis
- Figure 12:** Vegetation during the 1850s
- Figure 13:** Vegetation during the 1990s
- Figure 14:** Seasonal and recreational housing units in Wisconsin, 1940 to 1990
- Figure 15:** Changes in Parcel Size: Town of Mukwonago from 1921 to 1997
- Figure 16:** Number of farms and total acres in farms in Wisconsin, 1950 to 2001
- Figure 17:** Number of farms in Wisconsin, by size, 1959 and 1997
- Figure 18:** Total acres held by different size farms in Wisconsin, 1959 to 1997
- Figure 19:** Acres of farmland sold and new owners' expectations for future use, 1988 to 2000
- Figure 20:** Acres of forest types in Wisconsin, 1936 to 1996
- Figure 21:** Breeding Bird Survey strata of diversity
- Figure 22:** Growth and removal of oaks in southern Wisconsin, 1996
- Figure 23:** Wetlands in Wisconsin, mid-1990s
- Figure 24:** Water Use in Wisconsin, 1995
- Figure 25:** Percentage of impervious surface within the watershed, for selected waterbodies in Milwaukee County
- Figure 26:** Areas of groundwater concern in Wisconsin
- Figure 27:** Watersheds of Wisconsin
- Figure 28:** Frequency of rare species occurrences in Wisconsin, 2001
- Figure 29:** Number of Wisconsin adults participating in selected outdoor recreation activities, 1997
- Figure 30:** Wisconsin State Park system: campsites and camper nights from 1950 to 1999
- Figure 31:** Native American reservation lands and the ceded territory in Wisconsin
- Figure 32:** Public conservation land in Wisconsin
- Figure 33:** Local land trusts in Wisconsin
- Figure 34:** Ecological landscapes of Wisconsin
- Figure 35:** Land cover in Wisconsin
- Figure 36:** Public conservation and other land ownership in Wisconsin
- Figure 37:** Land cover of public conservation land in Wisconsin
- Figure 38:** An example of a description box for a Legacy Place
- Figure 39:** Legacy Places and ecological landscapes
- Figure 40:** Legacy Places and public conservation lands, reservation lands, and ceded territory boundary
- Figure 41:** Legacy Places and public conservation lands of the Superior Coastal Plains
- Figure 42:** Legacy Places and land cover of the Superior Coastal Plains
- Figure 43:** Land cover of the Superior Coastal Plains
- Figure 44:** Public conservation and other land ownership in the Superior Coastal Plains
- Figure 45:** Land cover of public conservation land in the Superior Coastal Plains
- Figure 46:** Land cover of the Northwest Lowlands
- Figure 47:** Public conservation and other land ownership in the Northwest Lowlands
- Figure 48:** Land cover of public conservation lands in the Northwest Lowlands
- Figure 49:** Legacy Places and public conservation lands of the Northwest Lowlands
- Figure 50:** Legacy Places and land cover of the Northwest Lowlands
- Figure 51:** Legacy Places and public conservation lands of the Northwest Sands
- Figure 52:** Legacy Places and land cover of the Northwest Sands
- Figure 53:** Land cover of the Northwest Sands
- Figure 54:** Land cover of public conservation lands in the Northwest Sands
- Figure 55:** Public conservation and other land ownership in the Northwest Sands
- Figure 56:** Land cover of the North Central Forest
- Figure 57:** Public conservation and other land ownership in the North Central Forest
- Figure 58:** Land cover of public conservation lands in the North Central Forest
- Figure 59a:** Legacy Places and public conservation lands of the North Central Forest
- Figure 59b:** Legacy Places and public conservation lands of the North Central Forest
- Figure 60a:** Legacy Places and land cover of the North Central Forest
- Figure 60b:** Legacy Places and land cover of the North Central Forest
- Figure 61:** Land cover of the Northern Highlands
- Figure 62:** Public conservation and other land ownership in the Northern Highlands
- Figure 63:** Land cover of public conservation lands in the Northern Highlands
- Figure 64:** Legacy Places and public conservation lands of the Northern Highlands
- Figure 65:** Legacy Places and land cover of the Northern Highlands
- Figure 66a:** Legacy Places and public conservation lands of the Forest Transition
- Figure 66b:** Legacy Places and public conservation lands of the Forest Transition
- Figure 67a:** Legacy Places and land cover of the Forest Transition
- Figure 67b:** Legacy Places and land cover of the Forest Transition
- Figure 68:** Land cover of the Forest Transition
- Figure 69:** Public conservation and other land ownership in the Forest Transition
- Figure 70:** Land cover of public conservation lands in the Forest Transition
- Figure 71:** Legacy Places and public conservation lands of the Northeast Sands
- Figure 72:** Legacy Places and land cover of the Northeast Sands
- Figure 73:** Land cover of the Northeast Sands
- Figure 74:** Public conservation and other land ownership in the Northeast Sands
- Figure 75:** Land cover of public conservation lands in the Northeast Sands
- Figure 76:** Land cover of the Northern Lake Michigan Coastal
- Figure 77:** Public conservation and other land ownership in the Northern Lake Michigan Coastal
- Figure 78:** Land cover of public conservation lands in the Northern Lake Michigan Coastal
- Figure 79:** Legacy Places and public conservation lands of the Northern Lake Michigan Coastal
- Figure 80:** Legacy Places and land cover of the Northern Lake Michigan Coastal
- Figure 81:** Legacy Places and public conservation lands of the Central Lake Michigan Coastal
- Figure 82:** Legacy Places and land cover of the Central Lake Michigan Coastal
- Figure 83:** Land cover of the Central Lake Michigan Coastal
- Figure 84:** Public conservation and other land ownership in the Central Lake Michigan Coastal
- Figure 85:** Land cover of public conservation lands in the Central Lake Michigan Coastal
- Figure 86:** Legacy Places and public conservation lands of the Western Prairie
- Figure 87:** Legacy Places and land cover of the Western Prairie
- Figure 88:** Land cover of the Western Prairie
- Figure 89:** Public conservation and other land ownership in the Western Prairie
- Figure 90:** Land cover of public conservation lands in the Western Prairie
- Figure 91:** Land cover of the Western Coulee and Ridges
- Figure 92:** Public conservation and other land ownership in the Western Coulee and Ridges
- Figure 93:** Land cover of public conservation lands in the Western Coulee and Ridges
- Figure 94a:** Legacy Places and public conservation lands of the Western Coulee and Ridges
- Figure 94b:** Legacy Places and public conservation lands of the Western Coulee and Ridges
- Figure 95a:** Legacy Places and land cover of the Western Coulee and Ridges
- Figure 95b:** Legacy Places and land cover of the Western Coulee and Ridges
- Figure 96:** Legacy Places and public conservation lands of the Southwest Savanna
- Figure 97:** Legacy Places and land cover of the Southwest Savanna
- Figure 98:** Land cover of the Southwest Savanna
- Figure 99:** Public conservation and other land ownership in the Southwest Savanna
- Figure 100:** Land cover of public conservation lands in the Southwest Savanna
- Figure 101:** Legacy Places and public conservation lands of the Central Sand Plains
- Figure 102:** Legacy Places and land cover of the Central Sand Plains
- Figure 103:** Land cover of the Central Sand Plains
- Figure 104:** Public conservation and other land ownership in the Central Sand Plains
- Figure 105:** Land cover of public conservation lands in the Central Sand Plains
- Figure 106:** Land cover of the Central Sand Hills
- Figure 107:** Public conservation and other land ownership in the Central Sand Hills
- Figure 108:** Land cover of public conservation lands in the Central Sand Hills
- Figure 109:** Legacy Places and public conservation lands of the Central Sand Hills
- Figure 110:** Legacy Places and land cover of the Central Sand Hills
- Figure 111:** Land cover of the Southeast Glacial Plains
- Figure 112:** Public conservation and other land ownership in the Southeast Glacial Plains
- Figure 113:** Land cover of public conservation lands in the Southeast Glacial Plains
- Figure 114a:** Legacy Places and public conservation lands of the Southeast Glacial Plains
- Figure 114b:** Legacy Places and public conservation lands of the Southeast Glacial Plains
- Figure 115a:** Legacy Places and land cover of the Southeast Glacial Plains
- Figure 115b:** Legacy Places and land cover of the Southeast Glacial Plains
- Figure 116:** Legacy Places and public conservation lands of the Southern Lake Michigan Coastal
- Figure 117:** Legacy Places and land cover of the Southern Lake Michigan Coastal
- Figure 118:** Land cover of the Southern Lake Michigan Coastal
- Figure 119:** Public conservation and other land ownership in the Southern Lake Michigan Coastal
- Figure 120:** Land cover of public conservation lands in the Southern Lake Michigan Coastal
- Figure 121:** Number of lakes in each county
- Figure 122:** Change in housing density across northern Wisconsin, 1940 to 1990
- Figure 123:** Public access to Wisconsin lakes (named lakes and unnamed lakes over 20 acres)
- Figure 124:** Industrial forest and public conservation lands in Wisconsin
- Figure 125:** Forest ownership in Wisconsin
- Figure 126:** Prairies and savannas of Wisconsin, 1850s and 2003
- Figure 127:** Prairie and savanna species of concern in Wisconsin
- Figure 128:** Percent of Wisconsin residents living within 50 miles of each township
- Figure 129:** State Natural Areas of Wisconsin
- Figure 130:** Current and proposed trails in the State Trails Network Plan
- Figure 131:** Wetlands in Wisconsin
- Figure 132:** Opportunities for sustaining Wisconsin's natural communities by ecological landscape
- Figure 133:** Relative abundance of natural communities in Wisconsin, historically and currently
