#=Count, %=Percent of Total Count

Note: Release, source and cause information is based on information from the Bureau for Remediation and Redevelopment Tracking System (BRRTS) database. Source and cause data were collected using information reported to the Department of Natural Resources (DNR) from various sources, both internal and external to DNR. There may be omissions and errors in the data and delays in updating new information.

Site-specific information on compliance and releases may be obtained by searching BRRTS on the Web (BOTW) at <https://apps.dnr.wi.gov/botw>.
