Discuss January, 2018 Council on Recycling meeting agenda	<p>The council will postpone the production of a ‘year-end’ report to reflect still on-going work on the topic of recycling markets. For the January meeting, freight/logistics will be a focus. Jim Birmingham will contact a trucking broker which deals in export. Jeff Zillich will contact a local, Wisconsin trucking firm to discuss in-state/in-region transportation logistic issues. Dave Keeling suggested possibly including a speaker from a software application company which provides mobile, instant transportation quotations. Jennifer Semrau will contact a representative from a local municipality to provide a regional market perspective.</p> <p>After the January 25<sup>th</sup> meeting, the next Council meeting will potentially take place at the WI Integrated Resource Management Conference, at the Osthoff Resort, Elkhart Lake, on Friday, March 2<sup>nd</sup> at 1:00 p.m. J. Semrau has submitted the necessary paperwork. The May meeting may focus on textile recycling with a tour at a NE WI textile sorting facility.</p>
