DEPARTMENT OF THE ARMY
ST. PAUL DISTRICT, CORPS OF ENGINEERS
180 FIFTH STREET EAST, SUITE 700
ST. PAUL, MN 55101-1678

JUN 21 2016

Operations, Regulatory (2015-01213-JLK)

Honorable Robert Blanchard
Chairman
Bad River Band of Lake Superior Chippewa Tribe
P.O. Box 39
Odanah, Wisconsin 54861

Dear Chairman Blanchard:

The U.S. Army Corps of Engineers, St. Paul District, is initiating tribal consultation pursuant to our responsibilities under the National Historic Preservation Act concerning a proposal by Kohler Company to develop an 18-hole public golf course with support amenities on 247 acres of undeveloped private land between the Black River and the shores of Lake Michigan, in the Town of Wilson, Sheboygan County, Wisconsin.

The project site is an archaeologically sensitive area and has been subject to several past and present archaeological investigations by various archaeologists. Archaeological Site 47SB0173 has been identified as a result of those investigations and includes the entire project area. We have determined the site eligible for inclusion on the National Register of Historic Places.

An electronic copy of the most recent investigation is available upon request. Artifact densities vary across the site due to the size of the property. The investigations completed to date only serve to evaluate the sites eligibility in general terms. Additional field surveys are anticipated in the future.

Figures depicting the current design concept and location are attached to this letter. It is important to note that the Corps review of this project would be limited to our permit areas and that refinement of the design is on-going in an attempt to avoid and minimize impacts to sensitive resources. The development of additional project alternatives may change the Corps permit area. Further information is available upon request.

Please advise me in writing within 30 days from receipt of this letter if you are interested in consulting. Feel free to call me at 651-290-5300 or, if you deem it appropriate, have your staff contact Mr. Brad Johnson, Regulatory Tribal Liaison, at (651) 290-5250 or brad.a.johnson@usace.army.mil, with any questions.

Sincerely,

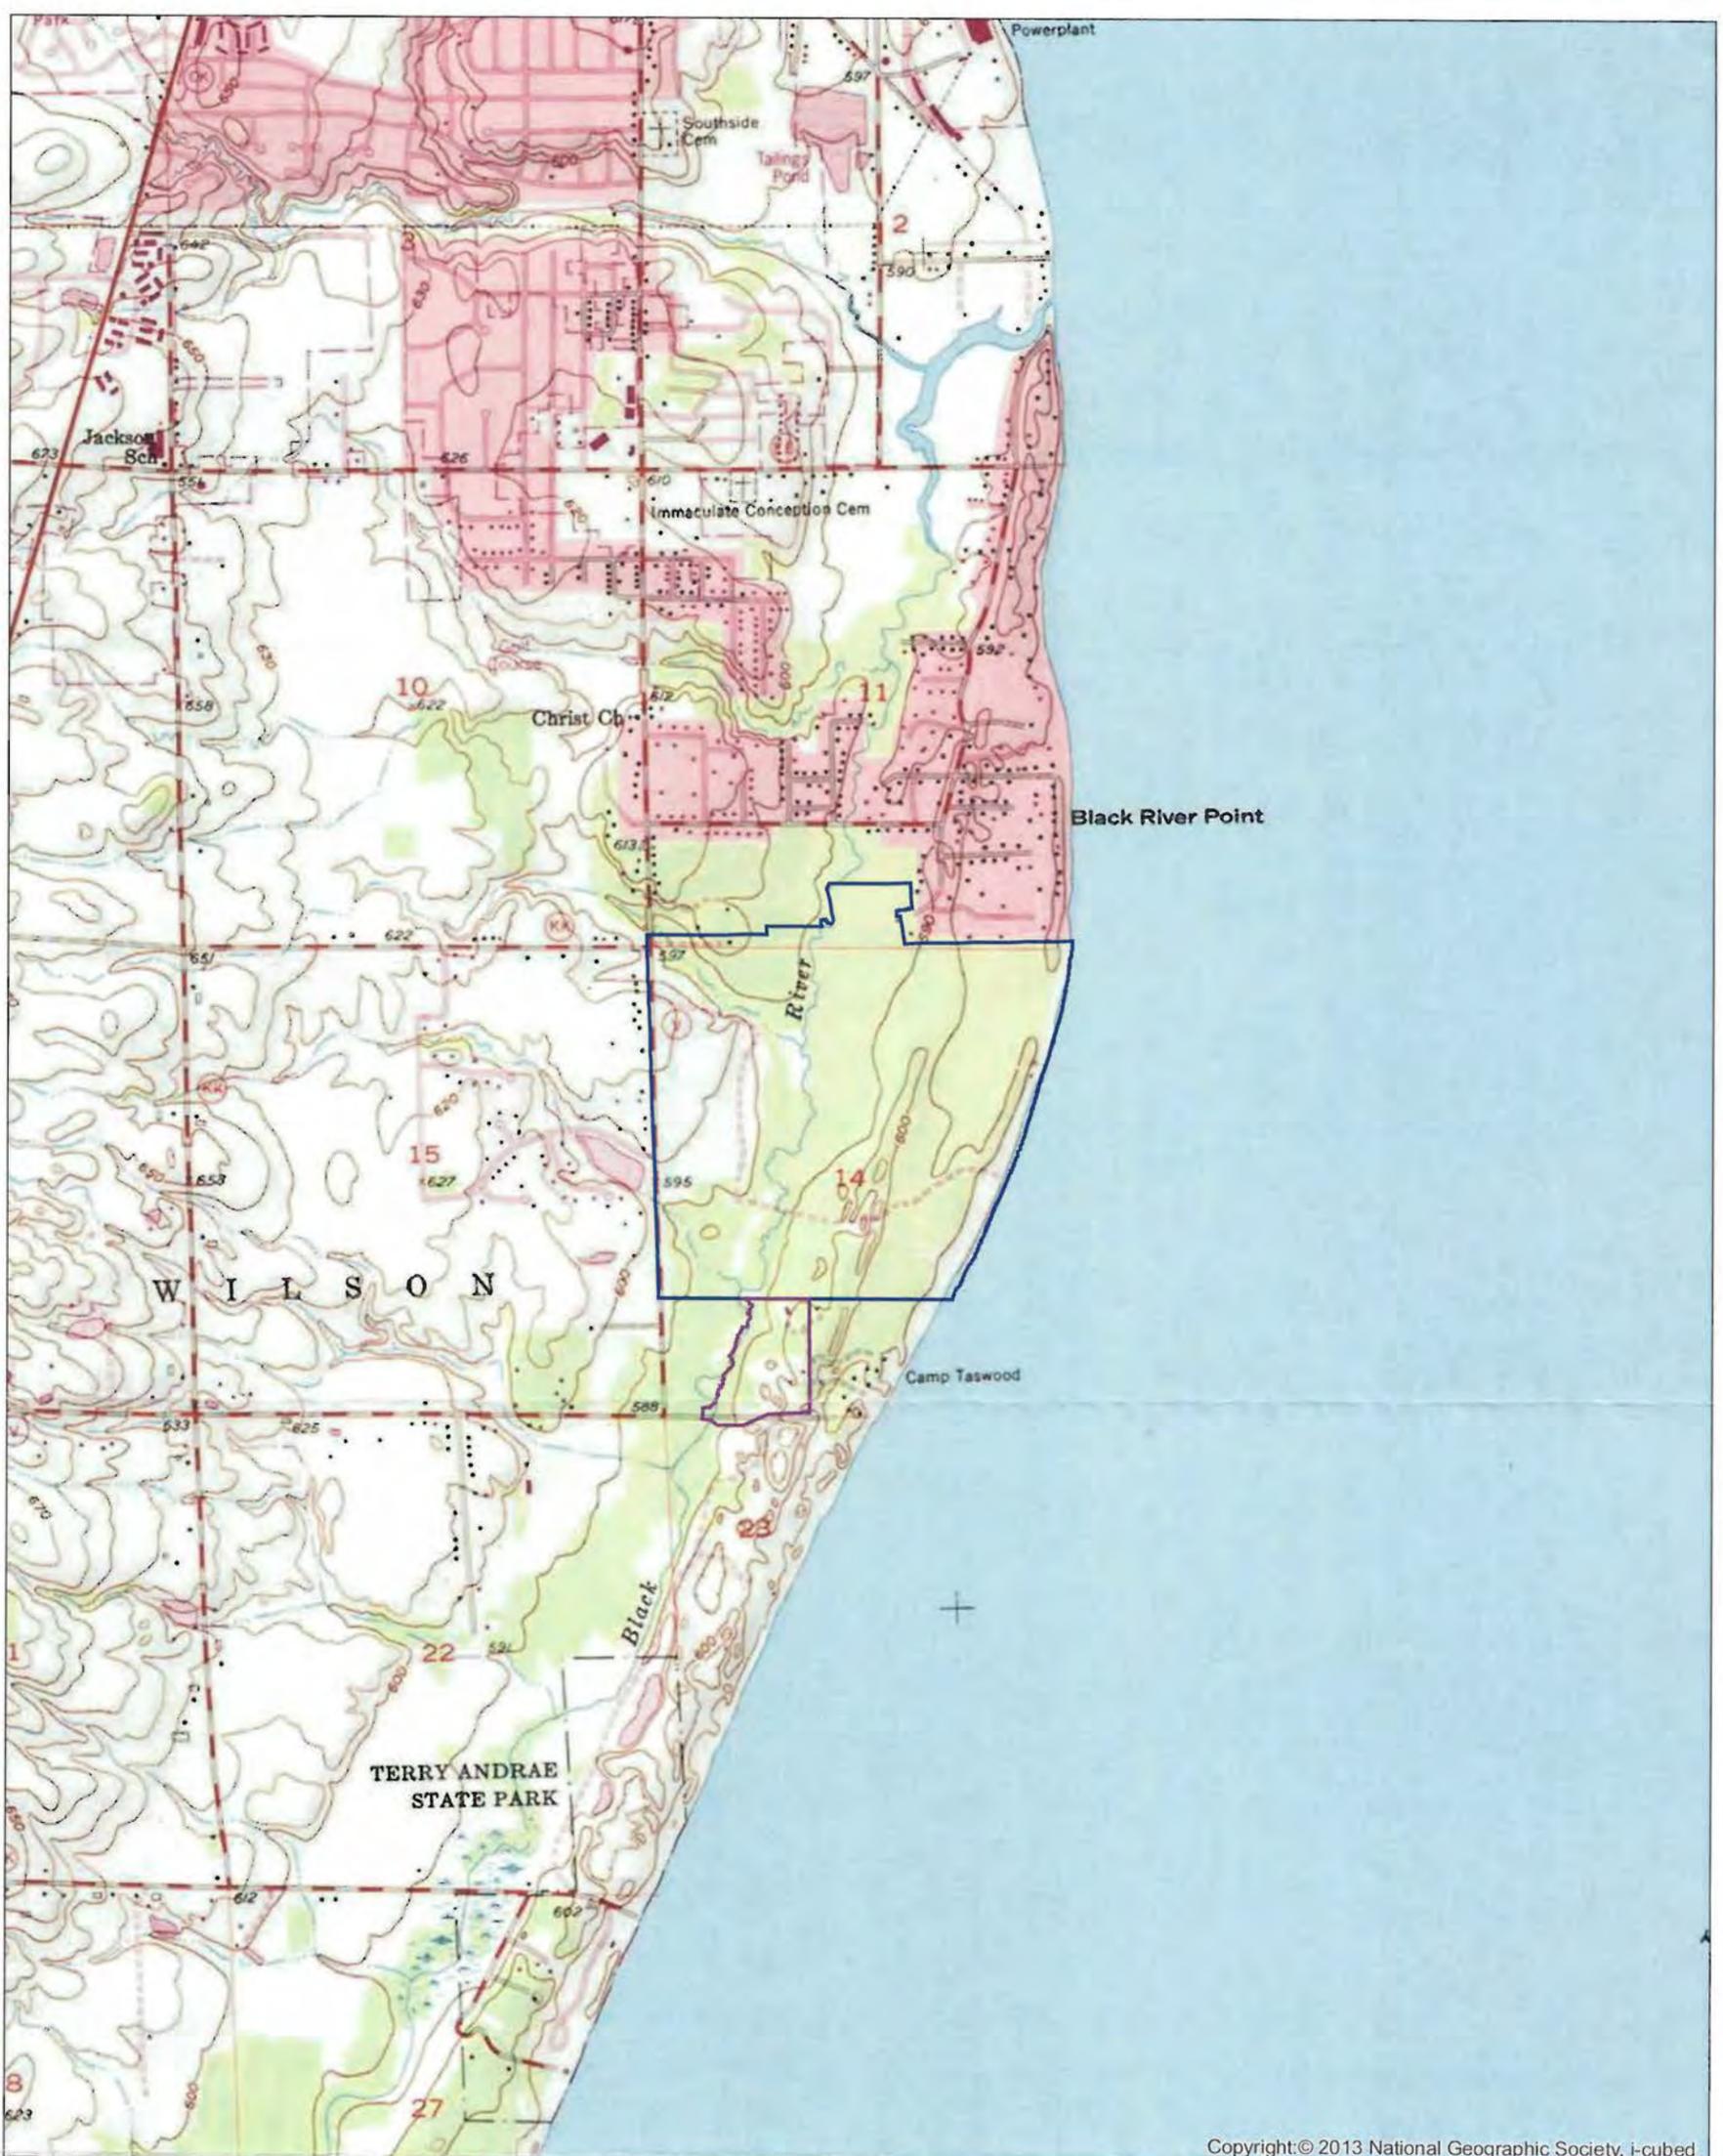

A handwritten signature in black ink, appearing to read "Daniel C. Koprowski".

Daniel C. Koprowski
Colonel, Corps of Engineers
District Commander
