Green Tier Application - July 2010

Attachment 1

The Homburg companies being covered by this application are:

Homburg Contractors, Inc.
Homburg Equipment, Inc.
Madison Rock & Sand, LLC

Homburg Contractors, Inc. – is primarily a Heavy & Highway contractor. HC's core business revolves around Public Works construction, site development, grading, utilities, site concrete, demolition, retaining walls and other specialty site work. HC's office is located at 5590 Monona Drive, and its work sites range primarily across the Dane County area. HC does not control all aspects of the work it performs, thus can't always be in full control of the environmental impacts. Many of HC's projects are performed for public entities on a unit price basis with the scope of services determined by that entity.

Homburg Equipment, Inc. – is primarily a land developer with an emphasis on residential real estate. HE has offices at 5590 Monona Drive and its primary area of concentration is also the Dane County area.

Madison Rock & Sand, LLC – is a quarry & recycling operation located at 5715 Milwaukee Street, in Madison Wisconsin.
