

Environmental Policy

ATTACHMENT III

PHILLIPS PLASTICS CORPORATION™

Phillips Plastics Corporation is a world class injection molder with state-of-the-art secondary decorative capabilities.

We are committed to continued excellence, leadership, and stewardship in protecting the environment. Our objective as a Corporation is to achieve minimal adverse impact on the environment through excellence in environmental control using a continual improvement approach in waste reduction and pollution prevention.

Environmental protection is a top management commitment as well as the responsibility of every person within the organization.

Environmental management system practices are designed to ensure compliance with relevant environmental legislation and regulations, as well as other standards to which the Corporation subscribes related to our environmental aspects.

A multifunctional task team, using the process flow method, identifies environmental aspects and impacts. These aspects and impacts are considered in setting measurable environmental targets and objectives, which are periodically reviewed by the appropriate level of management.

We are committed to communicating our policy to all Phillips Plastics people, as well as other interested parties.
