Totals - 1st round	Prohibited			Restricted				Watch			Non-restricted				Insufficient Information		
Number of votes for each classification	xxxxxxx			x				x									

Comments:3 - Not commercially grown much in WI. 4 - Marginally hardy, haven't seen anyone growing it in WI, and haven't seen it anywhere in WI. 5 - According to the information provided it is only located in a couple areas in Milwaukee county, so it doesn't seem to a problem in many areas. 7 - Educate about similar native species.

Ratings for Criteria - 2nd round	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	Total #	Average
1. Current status and distribution																	
2. Establishment potential																	
3. Damage potential
