<b>Totals - 1st round</b>	Prohibited			Restricted				Watch				Non-restricted				Insufficient Information	
Number of votes for each classification	xxx			xxxxxx													

Comments: 1 - Very limited distribution in northern WI, but lots of potential habitat. 3 - Not commercially grown, very widespread. 7 - Educate the eradicators about similar native species. 9- This plant has serious implications to the forest products industry.

Ratings for Criteria - 2nd round	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	Total #	Average
1. Current status and distribution																	
2. Establishment potential																	
3. Damage potential																	
4. Prevention and control potential																	
5. Socio-economic impacts																	
<b>Totals - 2nd round</b>	Prohibited			Restricted				Watch				Non-restricted				Insufficient Information	
Number of votes for each classification																	

**Final Recommended Classification :** Restricted

Final Comments/Rationale: Possible regional prohibition in northern WI. May be more widespread than information indicates.
