

File O 34– Barron County 4.94 Acres

The Department acquired this parcel for \$5,500 in 1985.

This parcel is located along 10th Street in the Town of Arland, approximately six miles southwest of the City of Barron. It was purchased for the Arland Tower Site.

This parcel was acquired for a radio tower site. Due to the rolling terrain of this area, the Department's fire control and law enforcement operations were hampered in southern Barron County due to incomplete radio coverage and congestion of radio traffic. The parcel has no water features. This site is closed to public access.

The Department actively maintains a radio tower and mows the parcel.

The Department recommends retaining this parcel.
