

## Sensitive Species List: NHI Working List Elements to be Generalized to County Level

Many of the species, natural communities, and natural features included on [Wisconsin's NHI Working List](#) are vulnerable to collection and disturbance. Accordingly, the locations of elements on the NHI Working list should be generalized to **township level** when working with the public. The elements below are *particularly sensitive* to collection and disturbance and should be generalized to **county level**.

Scientific Name	Common Name
<b>Animal Aggregation Sites</b>	
	Bat Hibernaculum
	Herp Hibernaculum
<b>Birds</b>	
<i>Accipiter gentilis</i>	Northern Goshawk
<i>Setophaga kirtlandii</i>	Kirtland's Warbler
<b>Mammals</b>	
<i>Eptesicus fuscus</i>	Big Brown Bat
<i>Myotis lucifugus</i>	Little Brown Bat
<i>Myotis septentrionalis</i>	Northern Long-eared Bat
<i>Perimyotis subflavus</i>	Eastern Pipistrelle
<b>Natural Communities</b>	
	Algific Talus Slope
<b>Plants</b>	
<i>Oxytropis campestris var chartacea</i>	Fassett's Locoweed
<b>Reptiles</b>	
<i>Carphophis vermis</i>	Western Wormsnake
<i>Crotalus horridus</i>	Timber Rattlesnake
<i>Sistrurus catenatus catenatus</i>	Eastern Massasauga Rattlesnake
<i>Terrapene ornata</i>	Ornate Box Turtle
<i>Tropidoclonion lineatum</i>	Lined Snake

## Sensitive Species List: Elements to be Generalized to Township Level

The below species are vulnerable to collection and disturbance. Although these species are no longer included on the NHI Working List, since data associated with them is still managed by the NHI program, their locations should be generalized to **township level** when working with the public.

Scientific Name	Common Name
<b>Amphibians</b>	
<i>Ambystoma maculatum</i>	Spotted Salamander
<i>Lithobates catesbeianus</i>	American Bullfrog
<i>Lithobates pipiens</i>	Northern Leopard Frog
<b>Plants</b>	
<i>Panax quinquefolius</i>	Ginseng
<b>Reptiles</b>	
<i>Diadophis punctatus edwarsi</i>	Northern Ring-necked Snake
<i>Eumeces fasciatus</i>	Common Five-lined Skink
<i>Graptemys pseudogeographica</i>	False Map Turtle
