Per capita total (lbs)	256	244	259	250	253	230	230	242	247	245

Note: from 2008 to 2010, the DNR changed the format of the Recycling Accomplishments and Actual Costs Annual Report completed by recycling responsible units (RUs). As a result, the breakdown by material for the mandatory reporting was based on percentages of these materials shipped by the facilities that process residential recyclables. Direct comparisons of tons by material type for 2008 through 2010 and other years should be made with caution.

<sup>1</sup> Wisconsin Recycling Law bans these materials from landfills

<sup>2</sup> Includes some non-banned paper, primarily resi mixed paper

<sup>3</sup> Variance - released from bans

<sup>4</sup> Electronics were banned from landfills starting in 2010
