

Blessed with plenty of snow and a variety of trails, there are few better ways to enjoy the Flambeau in the wintertime than on a pair of skis.

The Flambeau Hills trail system is groomed and tracked for skating and traditional skiing. Winding through a mixture of hardwoods and conifers, the trail crosses three bridges, provides occasional glimpses of the Flambeau River, and has a three sided shelter and picnic spot. Call ahead for conditions. “You are Here” signs are posted at most intersections.
