

Pick a Trail

By Karen Gersonde

Pick a trail
Along any Great Lake,
And the sights you see
Are memories you make.

Beautiful forests
And sand shores,
Flowers, wildlife,
And so much more.

Or rocky cliffs
May abound,
Or sand dunes or grasslands
May be found.

Watch an eagle
Soar on wing,
Or watch a child swing
On a swing.

Pick a trail
Along any Great Lake
And see what memories
You will make.
