

ATTENTION GOOSE HUNTERS – 2014 HORICON ZONE CHANGE

PLEASE ENSURE CORRECT PERMIT IS PURCHASED!

- New Horicon permit requires the hunter who harvested the goose to punch or slit the permit for the date of kill with total not to exceed season limit.
- You must report each harvested Canada goose within the Horicon Zone within 48 hours of the kill by calling 1-800-99-GOOSE (1-800-994-6673).
- Horicon Zone will retain permit and tag limits, however, there will be no August application deadline. Horicon permits can be purchased through the end of each Horicon season, limit one permit per hunter per year.
- If you have any questions please contact the WI DNR Call Center, they are available 7 days a week, 7am-10pm. Toll free at 1-888-WDNRINFo (1-888-936-7463).
