Public Comment on the Draft Master Plan for the Sauk Prairie Recreation Area

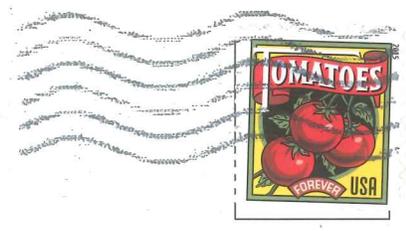

I am writing to support the WDNR's proposals for ecological restoration, habitat management and quiet nature-based recreation on the former Badger Ammo lands but do NOT support proposed on/off-road motorcycles, high power rocketry and a future gun range because: *Most of the world is over run with people, machines, noise + pollution. Let this place finally rest + return to peace + quiet where it can properly be enjoyed by nature + her thus, rest of nature!*
