The Wisconsin Department of Natural Resources provides equal opportunity in its employment, programs, services, and functions under an Affirmative Action Plan. If you have any questions, please write to the Equal Opportunity Office, Washington, DC 20240. This publication is available in alternative format (large print, Braille, audiotape, etc.) upon request. Please call 414.527.0232 for more information.

PUB-PR-555 REV 2016

# Nature in the City

Share a special outdoor experience with the kids in your day care, summer school, or youth group at Havenwoods State Forest.

## Sign-up for a field trip!

To register for a field trip, please call Havenwoods at **414-527-0232** and ask for Judy or email her at [judy.klippel@wi.gov](mailto:judy.klippel@wi.gov)

### Dates

Mondays through Thursdays starting June 13

### Fees

For groups of 15 children or less, the fee is \$30. For groups of 16 or more, it is \$2 per child. Fee waivers are available if cost is prohibitive.

### Group Sizes

We have a small staff this year, but we want to work with you to get your kids outdoors. Please contact us to discuss teaching and scheduling options.

Havenwoods is one block west of Sherman Blvd. (43rd Street) on Douglas Ave.

## Havenwoods is on the northwest side of Milwaukee.

You'll find 237 acres of woods, wetlands, grasslands, and gardens waiting for your group to explore. A picnic area and a nature center with bathrooms and indoor classrooms are available.

# Summer Field Trips

## Insects

### Legs!

1, 2, 4, 5, 6, 8, 14, 33, 124! How many legs do invertebrates have? We'll catch them, look at their colors, count their legs, and enjoy these amazing critters!

**Ages 3 – 5 years**  
**1.5 hours**

### Creature Feature

The featured creatures are invertebrates! We'll set out with hand lenses and nets in search of these creatures and learn about their adaptations.

**Ages 6 – 8 years**  
**1.5 hours**

### Insect Safari

The children will explore the "jungles" of Havenwoods, searching for six-legged creatures. We'll discover how insects grow and change and how they are adapted to live here.

**Ages 9 – 12 years**  
**1.5 hours**

## Pond

### Wet and Wild

The wetland is teeming with life! Using scoops, nets, and magnifiers, we'll investigate the animals and plants in this habitat.

**Ages 5 – 12 years**  
**1.5 hours**

## Sensory

### A Sense of Wonder

Armed with magnifying lenses, bug containers, nature crayons, and alert senses, children will feel, smell, peek, and listen their way around Havenwoods.

**Ages 3 – 5 years**  
**1 – 1.5 hours**

## Treasure Hunts

### Mys-TREE Hunt

If we follow the treasure map, we are sure to find hidden treasures and mysterious trees. Solve puzzles and collect clues along the way.

**Ages 6 – 8 years**  
**Maximum 24**  
**1.5 hours**

### Geocaching Adventure

Go on a high-tech treasure hunt to find some not-so-buried treasure and solve a riddle. We'll use GPS units and maps. Dress to go off the beaten path!

**Ages 9 – 12 years**  
**Maximum 16**  
**1.5 – 2 hours**

## Wildlife

### Animal Homes

Wildlife puppets, role playing, and exploration will help children to discover animal homes and the special things animals need to survive.

**Ages 3 – 5 years**  
**1.5 hours**

### The Way of the Wild

We'll go in search of animal tracks, homes, and feeding signs to help us find out who's living here at Havenwoods.

**Ages 6 – 8 years**  
**1.5 hours**

### Wild Neighbors

As detectives in search of clues, we'll investigate the habits, feeding patterns, homes, and tracks of wildlife.

**Ages 9 – 12 years**  
**1.5 hours**
