Subject: DNR to hold Willow River State Park dam public information meeting Feb. 24

EAU CLAIRE, Wis. – A public information meeting to address Willow River State Park dam repair issues will be held at the Hudson Town Hall, 980 County Road A, St. Croix County on Tuesday, Feb. 24, beginning at 6 p.m.

Department of Natural Resources officials will present information on a recent inspection of the Little Falls Dam located within the park and discuss future actions related to necessary dam repair activities, including a drawdown of Little Falls Flowage.
