

STATE OF WISCONSIN DEPARTMENT OF NATURAL RESOURCES  
PUBLIC NOTICE OF INTENT TO REISSUE A WISCONSIN POLLUTANT DISCHARGE ELIMINATION  
SYSTEM (WPDES) PERMIT No.WI-0020974-09-0

Permittee: Ferryville, Village of, PO Box 236, Ferryville, WI 54628

Facility Where Discharge Occurs: Ferryville Wastewater Treatment Facility, Lagoon Road, Ferryville, Wisconsin

Receiving Water and Location: Sugar Creek in the Rush Creek Watershed of the Bad Axe / La Crosse Rivers Basin located in Crawford County

Brief Facility Description and Summary of Proposed Changes: The Village of Ferryville owns and operates a three cell aerated lagoon facility that receives only domestic wastewater. The annual average design flow is 0.035 MGD (million gallons per day). The actual annual average flow for 2013 was 0.013 MGD. The facility is a fill and draw type facility, and discharges twice annually, under normal conditions usually late spring and fall to Sugar Creek. Discharge periods are approximately 30 days and have a maximum flow limit of 0.050 MGD. No significant operational changes occurred during the last permit term. Significant monitoring and/or limit changes proposed for the upcoming permit term are as follows: 1) addition of sludge PCB monitoring once during the permit term, and 2) the addition of effluent phosphorus monitoring.

Permit Drafter: Holly Heldstab, DNR, WCR Headquarters, 1300 W. Clairemont Ave., Eau Claire, WI 54701, (715) 839-1634, holly.heldstab@wisconsin.gov

Basin Engineer: Julia Stephenson, DNR, 3550 Mormon Coulee Road, La Crosse, WI 54601, (608) 785-9981, julia.stephenson@wisconsin.gov

The Department has tentatively decided that the above specified WPDES permit should be reissued.

Limitations and conditions which the Department believes adequately protect the receiving water are included in the proposed permit. Land application of waste shall be done in accordance with permit conditions and applicable codes. All land application sites shall be approved prior to their use. To receive a list of approved sites, or to be notified of potential approvals, contact the basin engineer.

Persons wishing to comment on or object to the proposed permit action, or to request a public hearing, may write to the Department of Natural Resources at the permit drafter's address. All comments or suggestions received no later than 30 days after the publication date of this public notice will be considered along with other information on file in making a final decision regarding the permit. Anyone providing comments in response to this public notice will receive a notification of the Department's final decision when the permit is issued. Where designated as a reviewable surface water discharge permit, the U.S. Environmental Protection Agency is allowed up to 90 days to submit comments or objections regarding this permit determination. If no comments are received on the proposed permit from anyone, including U.S. EPA, the permit will be issued as proposed.

The Department may schedule a public informational hearing if requested by any person and shall schedule a public informational hearing if a petition requesting a hearing is received from 5 or more persons or if response to this notice indicates significant public interest pursuant to s. 283.49, Stats. Requests for a public informational hearing shall state the following: the name and address of the person(s) requesting the hearing; the interest in the proposed permit of the person(s) requesting the hearing; the reasons for the request; and the issues proposed to be considered at the hearing.

Information on file for this permit action, including the draft permit, fact sheet, and permit application, may be inspected and copied at the permit drafter's or basin engineer's office, Monday through Friday (except holidays), between 9:00 a.m. and 3:30 p.m. Please call the permit drafter or basin engineer for directions to their office location, if necessary. Information on this permit action may also be obtained by calling the permit drafter at (715) 839-1634 or by writing to the Department. Reasonable costs (usually 20 cents per page) will be charged for copies of information in the file other than the public notice and fact sheet. Permit information is also available on the internet at: <http://dnr.wi.gov/topic/wastewater/PublicNotices.html>. Pursuant to the Americans with Disabilities Act, reasonable accommodation, including the provision of informational material in an alternative format, will be made to qualified individuals upon request.
